# Justin Timberlake - Not a Bad Thing

Tom: G
Intro:

Base durante toda a música:

Said all I want from you is to see you tomorrow
And every tomorrow, maybe you'll let me borrow your heart
And is it too much to ask for every Sunday?
An while we're at it throw in another day to start

I know people make promises all the time
Then they turn right around and break them
Someone cut your heart open with a knife, now you're bleedin'
But I could be that guy to heal it over time
And I won't stop until you believe it
Cause, baby, you're worth it

So don't act like it's a bad thing to fall in love with me
Cause you might look around and find your dreams come true,
with me
Spend all your time and money just find out my love was free
So don't act like it's a bad thing to fall in love

(intro)
With me, me
It's not a bad thing to fall in love with me, me

Now how about I'd be the last voice you hear tonight?
And every other night for the rest of the nights that there
are
Every morning I just wanna see you staring back at me
'Cause I know that's a good place to start

I know people make promises all the time

Then they turn right around and break them
Someone cut your heart open with a knife, now you're bleedin'
But I could be that guy to heal it over time
And I won't stop until you believe it
Cause, baby, you're worth it

So don't act like it's a bad thing to fall in love with me
Cause you might look around and find your dreams come true
with me
Spend all your time and your money just find out my love was
free
So don't act like it's a bad thing to fall in love

(intro)
With me, me
It's not a bad thing to fall in love with me, me
No such a bad thing to fall in love with me

    Am              D          Em        D         G
No, I won't fill your mind, broken promises, and wasted time
            Am              D              C
And if you fall, you'll always land right in these arms
These arms of mine

So don't act like it's a bad thing to fall in love with me
Cause you might look around and find your dreams come true
with me
Spend all your time and your money just find out my love was
free
So don't act like it's a bad thing to fall in love

(intro)
With me, me
It's not a bad thing to fall in love with me, me
No such a bad thing to fall in love with me
