

Justin Timberlake - Perfect For Me

tom:

Intro: Gbm D A E
Gbm D A E

[Primeira Parte]

I know your favorite song
I hear it every day
Whoever made your smile
Made it to get in my way
And every time you laugh
You make that little sound
It's just the hardest thing
To love you, but not know how

[Pré-Refrão]

So I spend all my nights in the dark and afraid
Cause I've tried to forget you
But these things just don't go away

[Refrão]

I hate that you're perfect, perfect for me
If I didn't know better, then I would believe
That we were made for each other, but I'd know the truth
You're no good for me, I'm no good for you

And I hate that you're perfect, you're perfect for me
I hate that you're perfect, you're perfect for me

[Segunda Parte]

What good are words
When they always just get in our way?
And it hurts the most just to know
That you don't feel the same, the same
So sometimes, I get down on my knees
And I pray things will change
But life is what happens when things
They don't work out our way, our way

[Pré-Refrão]

So I spend all my nights in the dark and afraid
Cause I've tried to forget you
But these things just don't go away

[Refrão]

I hate that you're perfect, perfect for me
If I didn't know better, then I would believe
That we were made for each other, but I'd know the truth
You're no good for me, I'm no good for you
And I hate that you're perfect, you're perfect for me
I hate that you're perfect, you're perfect for me
