                                                             You're my little pusher love girl, ain't ya? (Yes you are)
                                                                                  E B
                                                             Just my little pusher love girl (Ain't ya?)
Hey, little mama, ain't gotta ask me if I want to
                                                                                              Abm7
                                                                            Dbm
                                                             Since you came around, I've been living a different life
Just tell me can I get a light
                                                                                   Dbm7
                                                                                                  Abm7
Roll you up and let it run through my veins
                                                             And I don't wanna come down from this love I got on high
                                                                          Dbm7
                                                                                           В
Cause I can always see the furthest stars when I'm on you
                                                             People call me a user, but what I want you
                                                             F7M
                                                                             Abm
And I don't wanna ever come down, off this cloud of loving you To go on and use me too
Now you got me hopped up on that
                                                             Nothing else will do
