

JVKE - Catch Me

tom:
Gm

Last week, been a whole year, but it feel like last week
Eb

When I was your boy, fallin' hard in the backstreets
Dm

But you were there to catch me
Gm

Then I grew up and the Sun got cloudy
Eb

Used to feel the Sun on my skin, yeah, it's sappy
Eb

That's the last time I was truly happy
Dm

So I'm asking
Gm

If I fell down right now, would you catch me?
Eb

If I fell down right now, would you catch me?
Dm

If I fell down right now, would you catch me, catch me?
Eb

Baby, would you catch me?
Eb

I've been hurt before

Are you sure that you're still gonna catch me? Yeah
Dm

If I fell down right now, would you catch me, catch me?
Eb

Baby, would you catch me?
Eb

I'ma let go, all I know is, I need you to catch me
Bbm

Would you catch me?
Gm

I ain't written one love song since she left me
Eb

Trauma in my memories

When I try to hold you my body doesn't let me
Eb

So, baby, would you catch me?
Bbm

Oh, baby, would you catch me?
Gm

Baby, would you catch me?
Eb

Make it alright
Eb

I ain't fell in love in a really long time
Dm

Would you catch me?
Gm

Look in my eyes, tell me we're something new
Eb

I got issues with my trust
Eb

I don't wanna fall in love
Eb

So I guess I'm falling out of it
Eb

Come help me adjust
Dm

I got issues with my, I got issues from my past
Gm

Come and put them in the past
Eb

'Cause, baby, I'm falling fast
Eb

Like three digits on my dash
Eb

Swervin' through the backstreets

Don't you let me crash, please
Dm

Baby, would you catch me?
Gm

Baby, would you
Eb

If I fell down right now, would you catch me? Yeah
Eb

If I fell down right now, would you catch me?
Dm

If I fell down right now, would you catch me, catch me?
Eb

Baby, would you catch me?
Eb

I'ma let go, all I know is, I need you to catch me
Bbm

Would you catch me?
Gm

I ain't written one love song since she left me
Eb

Trauma in my memories

When I try to hold you my body doesn't let me
