JVKE - colors

```
            tom:
              D
Intro: One, two, three, let's go

[Refrão]

Em7                     Gm7                         D7M    Gbm
Red was the color that I bled when you said it was over
Em7                     Gm7                   D7M    Eb
Blue was the color of my tears when I lost my composer
     Em7                              Gm7
Now, I spend all my green tryin' just to please ya
Gbm7                    B7
I'm down on my knees for you
Em7                     Gm7
Red was the color that I bled when you said it was over

One, two, three, let's go

[Interlúdio] Em7  Gm7  D7M  B7
             Em7  Gm7  D7M  B7

[Primeira Parte]

Em7             Gm7
  I gotta stop  and cut the bleedin'
D7M                         Eb
 You ripped my heart out, I haven't started healin'
Em7                        A7
I'm black and blue, yeah, my body got some bruises
D7M                        B
 I always lose, got me chucking up the juices
Em7  Gm7                  D7M        B7
```
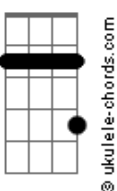

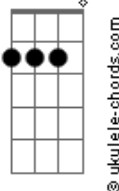

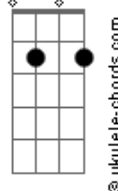

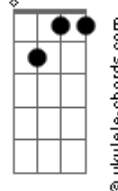

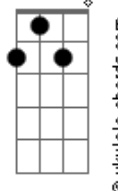

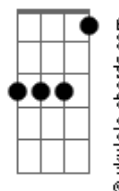

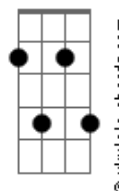

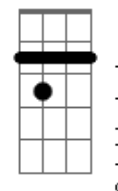

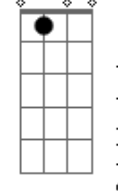

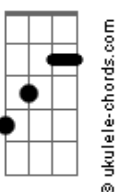

```
Baby, sunshine 'til you got shady, and I wasn't ready for
It
Em7             Gm7
Open your eyes, it's black and white
            D7M                        B7
Girl, you ruined my life, girl, you ruined my life girl

[Refrão]

Em7                     Gm7                         D7M    B7
Red was the color that I bled when you said it was over
Em7                     Gm7                   D7M    B
Blue was the color of my tears when I lost my composer
         Em7                          Gm7
Now, I spend all my green tryin' just to please ya
Gbm7                    B7
I'm down on my knees for you
Em7                     Gm7
Red was the color that I bled when you said it was over

One, two, three, let's go

[Interlúdio] Em7  Gm7  D7M  B7
             Em7  Gm7  D7M  B7

[Final]

         Em7                          Gm7
Now, I spend all my green tryin' just to please ya
Gbm7                    B7
I'm down on my knees for you
Em7                     Gm7
Red was the color that I bled when you said it was over
