

JVKE - HERO (feat. Martin Garrix)

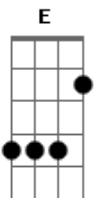

tom:
Am
Can't you see you're not ready?
E
My arms are getting heavy
F
From the weight of the world
E
It's up to me and I'm getting sweaty
Am
Is it too much to hold?
E
A thousand voices whisper noise
F
They plan my fall from grace
Am
Woah, oh, I know
E
Say you want a hero, you don't
F
Say you want a savior
E
Pull you off the ground
E
Then you wanna blame me
E
When you're falling down
Am
Woah, oh, I know
E
Don't wanna be your hero, oh, no
F
When's it gonna sink in
E
That we're sinking and falling apart?
Am
'Cause love don't last in the dark
Am
Can't you see you got old?
E
You waited too long and you let time go
F
Place your bets when it all comes down
E
Fold your cards and you blame the house
Am
A thousand voices whisper noise
F
They plan my fall from grace
Am
Woah, oh, I know
E
Say you want a hero, you don't
F

Say you want a savior
E
Pull you off the ground
E
Then you wanna blame me
E
When you're falling down
Am
Woah, oh, I know
E
Don't wanna be your hero, oh, no

When's it gonna sink in

'Cause love don't last in the dark
Am
Woah, oh
E
Woah, oh

Love don't last in the dark
