

JVKE - This Is What Falling In Out Of Love Feels Like

tom:
Ebm

Db

I never thought it'd end this way

Ebm

Lost the passion, got the pain

Bbm

And every time I hear your name

Gb

It simply doesn't hit the same

Db

What happens when the colors fade?

Ebm

Butterflies, they fly away

Bbm

And every time I hear your name

Gb

It simply doesn't hit the same

Gb

It simply doesn't hit the same

Bbm

Oh-oh,oh-oh, oh (Oh-oh,oh, oh-oh, oh)

Gb

It simply doesn't hit the same

Db

Run it up

Count up the bands and run it up

Ebm

I'm out of love

Throwin' up the towel, I'm out of love

Bb

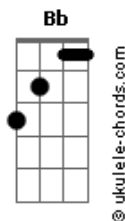

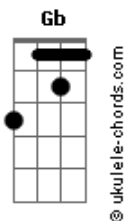

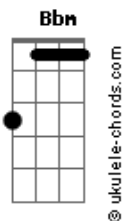

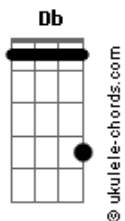

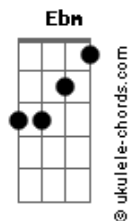

We touchin', the magic is gone

Gb

And I hate all our favorite songs

I swear, I tried singin' along

Acordes

But everything 'bout it feels wrong

Db

See your name up on my screen

Ebm

The emoji's been gone for weeks

Bb

But I can't shake the way that I'm feeling

Like when something's droppin' from the ceiling

Gb

Like we're broken, don't know how to heal it

Can you feel it? Can you feel it?

Db

I never thought it'd end this way

Ebm

Lost the passion got the pain

Bb

And every time I hear your name

Gb

It simply doesn't hit the same

Db

What happens when the colors fade?

Ebm

Butterflies, they fly away

Bb

And every time I hear your name, oh

Gb

It simply doesn't hit the same

Db

(It doesn't hit the same, yeah)

Ebm

It simply doesn't hit the same

Bb

(It doesn't hit the same, the same)

Gb

It simply doesn't hit the same
