

# K-391 - End Of Time (feat. Alan Walker & Ahrix)

tom:

C

When things are right

Then you just know

There is something in your eyes that brings me home

'Cause when there's love

You don't let go

So as long as you're with me

You're not alone, you'll never be

C Em

I wanna tell you what I feel

And really mean it

I wanna shout it from the rooftops to the sky

'Cause if you ever need a friend

You know I'll be it

From tonight until we see the end of time

C Em

I'll cross my heart and hope to die

We're always and forever, I'll be by your side

When days are dark and stars don't line

We're always and forever 'til the end

The end of time

( C Em Am G D )

When we look back, and when we're old

We'll see your footprints next to mine along the road

And I don't know, what the future holds

But as long as you're with me

You're not alone, you'll never be

C Em

I wanna tell you what I feel

And really mean it

I wanna shout it from the rooftop to the sky

'Cause if you ever need a friend

You know I'll be it

From tonight until we see the end of time

C Em

I'll cross my heart and hope to die

We're always and forever, I'll be by your side

When days are dark and stars don't line

We're always and forever 'til the end

The end of time

( C Em Am G D )
