

Ka'au Crater Boys - Do You Really Want To Hurt Me So

Tom: **C**

C
I've seen the fire burning through your eyes
C
I've seen the dark clouds overhead
C
I've seen you cut the deck and roll the dice
C
I've seen the strange shoes by your bed **C7**

Chorus

F **Am**
All I know is that the storm is near,
F **G7**
all I know, I've got to make it clear
C
Do you really want to hurt me so

C
Do you really want to let me go
C
Do you really want to hurt me so
C
I know, I know, I know you don't mean it

C
I know your love for me has changed somehow
C
So walk the earth and find your soul
C
All that I ask of you is forever
C **C7**
Remember me as loving you
