

# Kabeças Kometas - Chão de Estrelas

Tom: G

Chão de estrela, cabeças, cometas,  
Asteróides, pedaços de vidas

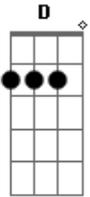

Nesse céu tropicante pedaços de vidas  
Você realçante na minha lembrança

60 62 63 G  
 Você que olha assustada e de lado  
 Não vê que a vida de nada não passa  
 Poucos com muitos e muitos com nada  
 E agente a vagar de lado de cá  
 Desse chão de estrelas
