

Kailee Morgue - siren

Tom: **G**
Intro:

D
You'll be seeing me in your dreams
But I'll be there when your reality **Am** drowns

There's a **Am** bright side
To every wrong thing
If you're looking at me through the **F** right eyes
Darkness in my name
Don't you wanna come and play on the **D** cool side?
Don't be so shy
And there's a **Am** pleasure in hiding from the sun
No, I was never one for pretty **F** weather
I'd rather be creep, baby follow me into the **D** water
I'll take you to the darker

Am
This could be perfection

Or venom dripping in your mouth
F
Singing like a siren

Love me while your wrists are bound
D
You've been seeing me in your dreams
But I'll be there when your reality **F** drowns

Am
You can pretend
That when you hear my voice **F**

Darling, it's your choice not to fall in
But it's all an act, cause I know exactly what you **D** wanting
You know it's what I'm wanting
Am
Boy, I know what you desire

Oh, you're such a bad bad liar

Am
This could be perfection

Or venom dripping in your mouth
F
Singing like a siren

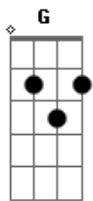

Love me while your wrists are bound
D
You've been seeing me in your dreams
But I'll be there when your reality **F** drowns **Am**
I'll be there when your reality **F** drowns

Em
Boy, I know what you desire
Dm
Oh, you're such a bad bad liar
Em
I want you and I just can't take it
Dm
So listen to me when I say it
Am
This could be perfection

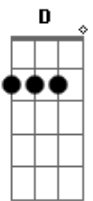

Or venom dripping in your mouth
F
Singing like a siren

Love me while your wrists are bound
D
You've been seeing me in your dreams
But I'll be there when your reality **F** drowns **Am**
I'll be there when your reality **F** drowns
