And all the time our street stay the same ^G

Just all waiting for you

Girl, you're a rarity ^C

Your life is a mistery ^{Em}

Your dad is a misery ^{Am}

And he probably won't like me ^{F7}

Girl, I wanna you here ^C

My mind imagines you superficially ^{Em}

I dream with what we could be ^{Am}

I wanna have you for me ^{F7}

Yeah, I don't know, it's like a great thirst ^C ^E

I would be happy if I meet ^{Am}

You, you, you

But I know, my life always will be the same ^C ^E

Cuz I'm doing nothing, only saying your name ^{Am}

To friends, to frien...

Sometimes, I see your mom getting out ^{Dm} ^{Am}

I don't greet her and it's my fault ^G

Cuz it's a good start

Like an hour, it's the time I wait for you ^{Dm} ^{Am}

^G

I want you to worry about me too

At least one time

Girl, you're a rarity ^C

Your life is a mistery ^{Em}

Your dad is a misery ^{Am}

And you probably won't like me ^{F7}

Girl, I wanna you here ^C

My mind imagines you superficially ^{Em}

I dream with what we could be ^{Am}

I know you don't wanna see me ^{F7}

Yeah, in the middle of the night I stay wondering ^C

Will I see you also out of my dreams? ^{Em}

You don't get out of your house, please, what it means? ^{Am} ^{F7}

I can hear the voice that maybe should be yours ^C

And another voice, your dad that should be a curse ^{Em}

He always talking to you and I want to do it too ^{Am}

Girl, I think I really just wanna see ya ^{F7} ^C ^{Em} ^{Am}

Girl, I think I really just wanna see ya ^{F7} ^C ^{Em} ^{Am}

So, I don't know, maybe you should be my friend ^C ^E

Cuz like then I've the chance ^{Am}

With you, with you, with you

Like your mother, you must see more the our street ^C ^E

Cuz it's the only way I've to meet ^{Am}

You, you, you

So, I don't know, maybe you should be my friend ^C ^E

Cuz like then I've the chance ^{Am}

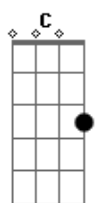

With you, with you, with you

Like your mother, you must see more the our street ^C ^E

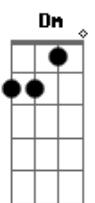

Cuz it's the only way I've to meet ^{Am}

You, you, you
