

Kaleo - I Walk On Water

```
Tom: Ab
                                                               When your heart dies, your soul cries out for more.

I, I walk on water
                                                                She said walk on, walk on to the water.
high above all beneath.
                                                                I went further, I went further than before.
Fly, before I could tell you
              Em D
Ohh that I, I walk on water
                                                                We don?t need to have fear of going under.
I walk on water
                                                                Because I can hold you now, anytime.
Life, in such a hurry
                                       G
thrive as long as you can.
                                                                Put your trust in me, put your trust in me
Goodbye to all my worries
                                                                I put my trust in you, put my trust in you.
              Em
Ohh ?cause I, I walk on water
                                                                I walk on water
Put your trust in me, put your trust in me
                                                               Brother, brother?
                                                                I must tell you?
Put your trust in me, put your trust in me
                                                                                C G C Em D C Em D C
                                                                                                                      G
I walk on water
                                                                         G
                                                                (follow me, follow me, follow)
                                                                Em D C Em D C
I walk on water (follow me, follow me).
I feel stronger, I feel stronger than I used to.
My feet, my feet don?t touch the ground
                                                                I, I walk on water
                G
I don?t worry, I don?t worry any longer.
                                                               High, above all beneath
