C7M B7  
I just wanna get high with my lover  
Em B7  
Veó una muñeca cuando miro en el espejo  
C7M B7  
Kiss, kiss, looking dolly, I think I may go out tonight  
Em B7  
I just wanna ride, get high in the moonlight  
C7M B7  
I just wanna get high with my lover  
Em B7  
Veó una muñeca cuando miro en el espejo  
C7M B7  
Kiss, kiss, looking dolly, I think I may go out tonight  
Em B7  
I just wanna ride, get high in the moonlight

[Parte 1]

CM7 B7  
Forget the small talk  
Em B7  
The surface level ain't much that I care for  
CM7 B7  
Putting on my lip gloss  
Em B7  
I saw you stare from my peripheral, yeah

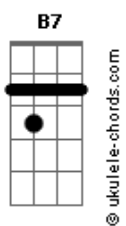

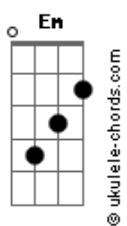

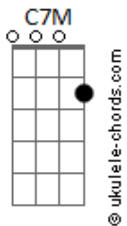

[Pré-Refrão]

CM7 B7  
Baby, it's been a hell of a day  
Em B7  
But I know a place we can escape  
C7M B7 Em  
Find out how it feels to let go of everything, be free  
B7  
When you're here with me
