Dbm

I've been trying to find a way to say
Dbm A E B
I've been lost and couldn't find my way
A Dbm A Dbm A
Can't deny the truth
B Dbm E B A
I was missing you

Now I found the melody I'm looking for
Dbm A E B
Won't turn back
A E B
I feel the beat, I can't ignore

Dbm A
Now that you're here, I won't let you go
E
And in this moment
B Dbm
You have to know that tonight
A
I love you more than anyone

Dbm A E B
Funny how life takes us different ways
Dbm A
A thousand miles was never

Tell how do we'd ever make it without us
