

Kane Brown - What Ifs

tom:
Capo: 3ª casa
Intro: Em G D Em G D

[Primeira Parte]

You say what if I hurt you, what if I leave you
What if I find somebody else and I don't need you?
What if this goes south, what if I mess you up?
You say what if I break your heart in two, then what?
Well, I hear you girl, I feel you girl but not so fast
'Fore you make your mind up I gotta ask

[Refrão]

What if I was made for you and you were made for me?
What if this is it, what if it's meant to be?
What if I ain't one of them fools just playin' some game?
What if I just pulled you close, what if I leaned in?
And the stars line up and it's our last first kiss
What if one of these days, baby, I'd go and change your name?
What if I loved all these what ifs away?

[Segunda Parte]

What if the sky falls (sky falls) or the sun stops burnin'?
We could worry about them what ifs 'til the world stops turnin'?
Or I could kiss you (you should kiss me)
What if you liked it? (bet I'd like it)
Well, we ain't never gonna know unless we try it
