

Kansas - What's On My Mind

Tom: B

Intro: Bbm Gb Ebm Ab (4x)

Well you told me that I was just not the one
 And you left me standing out in the cold
 It's been a long time and I'm so much better now
 That I'm looking back and seeing it all
 And for the first time there's no pain in my life
 Though it's a long hard road that I've gone
 We had a good thing and it made me a man

Refrão

Cause I know You got me goin',
 pardon me my feelings are showing
 I'm only saying what's on my mind
 Intro: Bbm Gb Ebm Ab (2x)

Well I found you or maybe I found myself
 And I think we knew it all of the time
 We fit together just like a lock and a key
 And we opened up each other's minds
 Yeah, I was laughing 'caus there was no room to cry
 There was too much growing to do

We had a good time and it ain't over yet

Refrão

Cause I know You got me goin',
 pardon me my feelings are showing
 I'm only saying what's on my mind

You came from nowhere and you just jumped in my life
 And I know it never will be the same
 You made me love you and now I'm home once again
 No, I never want to leave you no more
 'Caus I'm attached to the better half of myself
 And there's nowhere else that I'd rather be
 You filled an empty, you fixed a bad broken heart

Refrão

Cause I know You got me goin',
 pardon me my feelings are showing
 I'm only saying what's on my mind...
