Do you even remember what the issue

Em  
Is?

You just trying to find where the

F  
Tissue is

Em  
You can still be who you wish you

F  
Is

It ain't happen yet, and that's what intuition is

Dm  
(And I wonder)

When you hop back in the car

Em  
Drive back to the crib, run back to

F  
Their arms

Em  
The smokescreens, the chokes and

F  
The screams

You ever wonder what it all really means?

Dm  
And I wonder

Em  
And I'm back on my grind

F  
A psychic read my lifeline, told me

In my lifetime

Em F  
My name would help light up the Chicago skyline

And that's why I'm

Dm  
(And I wonder)

Em  
Seven o'clock, that's prime-time

Heaven'll watch, God calling from

F  
The hotlines

Em F  
Why he keep giving me hot lines?

I'm a star?how could I not shine?

Dm  
(And I wonder)

How many ladies in the house?

(If you know)

How many ladies in the house without a spouse?

(What it means)

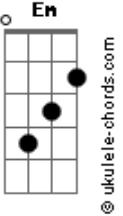

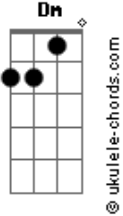

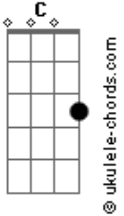

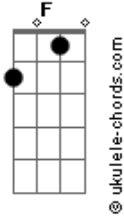

Something in your blouse got me feeling so aroused

(What it means)

What you about?

(And I wonder)

Acordes

On that independent shit

(If you know)

Trade it all for a husband and some kids

(What it means)

You ever wonder what it all really

Mean?

You wonder if you'll ever find your dreams?

(To find your dreams come true)
