

Kaquinho Big Dog - Tapas No Beijo

tom:

F

Quando a gente gosta de dá uns cacete na mulher amada

Umás coisa a toa jogada no canto pode causar dor

Aquele cabinho da enchada véia que ficou no quarto

Aquele purrete que nós mata gato

Na hora do racha tem muito valor

E hoje o que eu encontrei me deixou feliz

Dois gancho torto pra enfiar no nariz

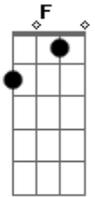

Que puxando pra riba eu vou rasgar o zoio dela

Lembrei do ultimo racha que assustou o povo

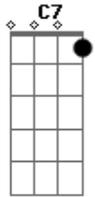

Furei o zói dela, ela chutou meus ovo

Entre tapas nos beijo nós vevi feliz
