

Kari Jobe - Heaven Invade

tom:
 Abm (forma dos acordes no tom de Em)
 Capotraste na 4ª casa
 Intro: C D G Em

[Primeira Parte]

See the light breaking through
 All the lies with the truth
 Hear the sound of the wind
 Let the roar of Heaven begin

[Pré-Refrão]

Can't stay silent, can't stay still
 When You show up in power, glory revealed
 Can't stay silent, can't stay still
 When I feel the fire, feel the ground shake

[Refrão]

Heaven invade
 Heaven invade
 There's freedom in this place
 Every heart awaken
 Everything is changing now
 Heaven invade

(Am G C)
 (Am G C D)
 (Am G C)
 (Em D)

[Segunda Parte]

Broken hearts on the mend
 All depression must end
 All the shame and the fear
 Run away when You're here

[Pré-Refrão]

Can't stay silent, can't stay still
 When You show up in power, glory revealed
 Can't stay silent, can't stay still
 When I feel the fire, feel the ground shake

[Refrão]

Acordes

Heaven invade
 Heaven invade
 There's freedom in this place
 Every heart awaken
 Everything is changing now
 Heaven invade
 (Am G C)

Heaven invade
 There's freedom in this place
 [Ponte]

My heart starts to race and I can't contain
 The feeling of joy, being in Your presence
 I can't help but dance, can't help but sing
 And I don't really care what anyone thinks

My heart starts to race and I can't contain
 The feeling of joy, being in Your presence
 I can't help but dance, can't help but sing
 And I don't really care what anyone thinks

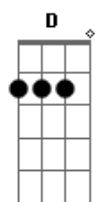

And I don't really care what anyone thinks
 (C D G Em)

[Refrão]

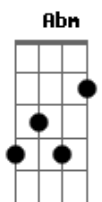

Heaven invade
 Heaven invade
 There's freedom in this place
 Every heart awaken
 Everything is changing now
 Heaven invade

[Final] Am G C

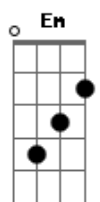

Heaven invade
 There's freedom in this place
 Every heart awaken
 Everything is changing now
 Heaven invade
