

Kasabian - Stevie

Tom: **F**

Dm
Stevie, where you going with that gun

C
Who you wanna shoot down

Gm
Who you tryinna kill

Dm
'Cos you've been watching too much TV

C
It's playing with your memory

Gm
It's tryinna break your heart

Bb **Gm**
Just calm down, take your medication

Dm
It numbs you to the world

C
Not my world

Dm **F**
And all the kids they say

C
We'll live to fight another day

Gm
We'll live to fight again

Dm **F**
And all the kids they say

C
Live to fight another day

Gm
Live to fight again, again, again, again

Dm
There's no life underneath your finger

C
I dreamt a little bigger

Gm
I'm sick and tired of this

Dm
If you show us what we can't have

C
What do you expect when

Gm
We take it back from you

Bb
'Cos it's no joke, no joke

Gm
I wanna open up your eyes wide, eyes wide

Dm
I feel it coming but you can't hide, can't hide

C
I wanna make you see light

Dm **F**
And all the kids they say

C
We'll live to fight another day

Gm
We'll live to fight again

Dm **F**
And all the kids they say

C
Live to fight another day

Gm
Live to fight again, again, again, again

Dm
And the ordinary people

F
Living ordinary lives

C
There's more than just existence

Dm
I see the fire in your eyes

Dm
You knew the song already

F
It comes as no surprise

C
It's time to push things forward

Dm
'Cos there's no way back, yeah,

There's no way back now

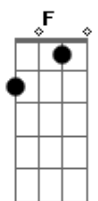

C
Live to fight another day

Gm
Live to fight again

C
Live to fight another day

Gm
Live to fight again, again, again, again
