I used to pray to a glossy page **B Gb Abm**

A cut out from a magazine **Ebm**

I was afraid of real things **B Gb Abm**

And I couldn't get to sleep to dream **Ebm**

My mom came out and I was mean **B Gb Abm**

I said, what a slap in the face **Ebm**

Then she got sick and lost her hair **B Gb Abm**

And then her partner died of the same thing **Ebm**

My mom survived, but we lost Joan **B Gb Abm**

The day before New York legalized love **Ebm**

And the streets were full of young and old **B Gb Abm**

And shiny new rings exchanged in gold

Ebm B Gb

For the love, for the love **Abm Gb Abm**

For the love, for the love **Ebm B Gb**

For the love, for the love **Abm Gb Abm**

For the love, for the love **Ebm**

I kissed a girl and felt no shame **B Gb Abm**

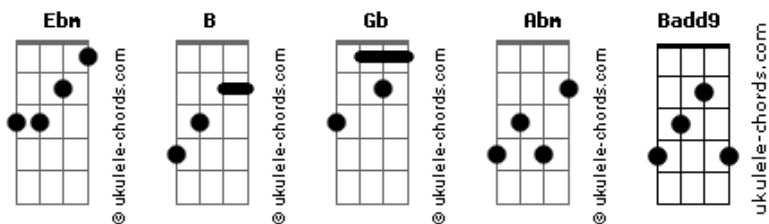

With Katy on the radio **Ebm**

I told my mom that we were the same **B Gb Abm**

She said we've got ways to go **Ebm**

And I've known love that's wider than

Acordes

B Gb Abm

The place in the middle where it's painted red **Ebm**

And I believe that fear is weaker than love **B Gb Abm**

Just like the magazine read **Ebm B Gb**

For the love, for the love **B Gb Abm**

For the love, for the love **Ebm B Gb**

For the love, for the love **B Gb Abm**

For the love, for the love **B Gb Abm**

Badd9 Gb

This life is imperfect **Badd9 Gb**

And love is a mess **Badd9 Gb**

I want the right to fuck it up **Badd9 Gb**

Just like anybody else **Abm**

Just like everybody else

Ebm B Gb

For the love, for the love **B Gb Abm**

For the love, for the love **Ebm B Gb**

For the love, for the love **B Gb Abm**

For the love, for the love **Ebm B Gb**

For the love, for the love **B Gb Abm**

For the love, for the love **Ebm B Gb**

For the love, for the love **B Gb Abm**

For the love, for the love **Ebm B Gb**

For the love, for the love **B Gb Abm**

For the love, for the love **Ebm B Gb**

For the love, for the love **B Gb Abm**

For the love, for the love **Ebm**

I used to pray to a glossy page **B Gb Abm**
