

Kate Bush - Hello Earth

tom:
Intro: [Primeira Parte]
Hello, Earth
Hello, Earth
With just one hand held up high
I can blot you out
Out of sight
Peek-a-boo
Peek-a-boo, little Earth

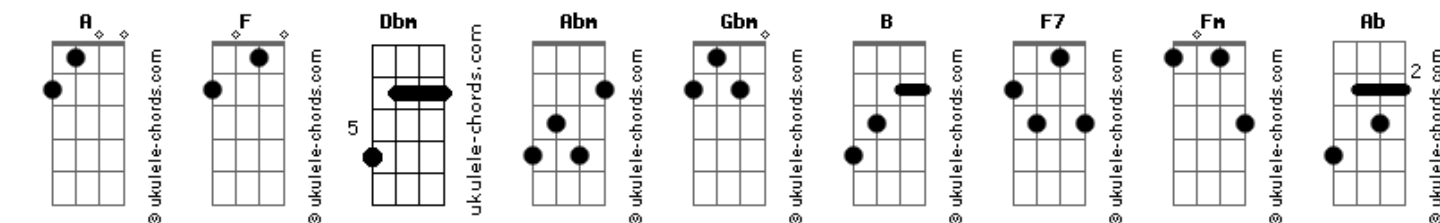

[Segunda Parte]
With just my heart and my mind
I can be driving
Driving home
And you asleep
On the seat

[Ponte 1]
I get out of my car
Step into the night
And look up at the sky
And there's something bright
Traveling fast

[Refrão 1]
Just look at it go
Just look at it go!

[Terceira Parte]
Hello, Earth
Hello, Earth
Watching storms
Start to form

Acordes

Over America
Can't do anything
Just watch them swing
With the wind out to sea
[Quarta Parte]
All you sailors
(Get out of the waves, get out of the water)
All life-savers
(Get out of the waves, get out of the water)
All you cruisers
(Get out of the waves, get out of the water)
All you fishermen
Head for home
Go to sleep, little Earth

[Ponte 2]
I was there at the birth
Out of the cloudburst
Ahead of the tempest
Murderer!
Murderer of calm!

[Refrão 2]
Why did I go?
Why did I go?
