You never understood me  
You never really tried

It looks like Ireland  
C'mon and blow it a kiss now  
But quick!

'Cause it's changing in the big sky  
It's changing in the big sky now  
We're looking at the big sky  
You never understood me  
You never really tried

This cloud, this cloud  
Says "Noah"  
Come on, build me an A\_\_Ark  
And if you're coming, jump
