

Katinguelê - Cigarro Apagado

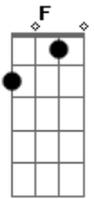

Tom: D

m [Intro] F Am Bb7 C7

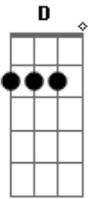

Um cigarro apagado.....com marcas de batom
 No cinzeiro do meu carro é tudo que restou
 Da nossa noite de amor
 Fiz de tudo pra você gostar de mim
 Te dei amor te dei carinho
 E os sonhos meus
 Mas hoje os lençóis enrugados
 Os travesseiros soltos es palhados pelo chão
 São palcos da noite de outros casais namorados

Não sei porque você partiu
 Sofri um bocado, coração apertado
 A espera de um telefonema seu
 Agora não te quero mais
 Matei no meu peito
 Aquele amor sem jeito
 Que me fez sofrer demais
 (sofrer demais)
 Que me fez sofrer demais só na 2ª vez
 Volta ao começo
 Cigarro apagadoooooooooo
