

## **KATSEYE - My Way**

tom.	Hands up, no slowin' me down
tom:	And if my heart bre-eh-eh-eh-eaks
	At least I did it my way-ay-ay-ay
Wake up, mama's mad 'cause I stayed up	Like a firework showin' up over your town
Sneakin' out tryna meet with someone I shouldn't see	Even if it all burns out
Pickin' apart what's wrong with me	I did it my
My house, sometimes it gets too loud	[Pós-Refrão]
So I wait 'til my girls pull up in their dad's M3	D Way, way, way
Careful that we don't lose those keys	I did it my
[Pré-Refrão]	A Way, way, way
D A Oh, never wanna do what I'm told	I did it my
Even if I mess it all up	Em Way, way
And make a million mistakes	I did it my way
[Refrão]	[Ponte]
D At least I can say-ay-ay-ay	D A Oh, never wanna do what I'm told
That I did it my way-ay-ay-ay	Even if I mess it all up
Gas pedal like ninety five, flyin' eastbound	And make a million mistakes
Hands up, no slowin' me down	[Refrão]
