

Katty Winne - Forever

Tom: **G**

I love you but you don't see it
 I want you but you go to sleep
 I need you but you go away
 I miss you but when I think about you

I get lost in my space
 I found you in my heart
 But I'll tell you a secret
 I love you but It won't be forever

I miss you but when I think about you
 I need you but you go away
 I want you but you go to sleep
 I love you but you don't see it

I get lost in my space
 I found you in my heart
 But I'll tell you a secret
 I love you but It won't be forever

You lost me and I hate you
 You lost me and I miss you
