

Katy Perry - Firework

```
And when it's time, you'll know
Intro: Ab Gb7 Fm Db
                                                              Pré-Refrão:
Verso 1:
                                                                                         Bbm
                                                              You just gotta ignite, the light, and let it shine
Do you ever feel like a plastic bag,
                                                                         Bbm
                                                                  Ab
                                                                                         Fm
                                                              Just own the night like the 4th of July
drifting through the wind wanting to start again?
                                                              Refrão:
Do you ever feel, feel so paper thin
                                                                                   Ab Bbm
                    Db
like a house of cards, one blow from caving in?
                                                              'Cause baby you're a firework
                                                                              Fm
                                                              Come on, show 'em what you're worth
                                                                          Ab
Do you ever feel already buried deep?
                                                      Ab
                                                              Make 'em go "Oh, oh, oh"
                         Db
6 feet under screams but no one seems to hear a thing
                                                              As you shoot across the sky-y-y
                         Gb7
Do you know that there's still a chance for you
                                                              Baby, you're a firework
'Cause there's a spark in you
                                                              Come on, let your colors burst
Pré-Refrão:
                                                                          Ab
                                                                                Bbm
                                                              Make 'em go "Oh, oh, oh"
You just gotta ignite, the light, and let it shine
                                                              You're gonna leave 'em falling down-own-own
             Bbm
Just own the night like the 4th of July
                                                              Ponte:
Refrão:
                                                              Boom, boom, boom
                     Ab
'Cause baby you're a firework
                                                              Even brighter than the moon, moon, moon
                 Fm
Come on, show 'em what you're worth
                                                              It's always been inside of you, you, you
Make 'em go "Oh, oh, oh"
            Ab
                                                              And now it's time to let it through-ough-ough
As you shoot across the sky-y-y
                                                              Refrão:
             Ab Bbm
Baby, you're a firework
                                                                                   Ab
                                                              'Cause baby you're a firework
Come on, let your colors burst
                                                                              Fm
                                                              Come on, show 'em what you're worth
          Ab
Make 'em go "Oh, oh, oh"
                                                                         Ab
                                                              Make 'em go "Oh, oh, oh"
You're gonna leave 'em falling down-own-own
                                                              As you shoot across the sky-y-y
                                                                           Ab Bbm
                                                              Baby, you're a firework
                       Gb7
                                                                               Fm
                                                              Come on, let your colors burst
You don't have to feel like a waste of space
            Db
You're original, cannot be replaced
                                                              Make 'em go "Oh, oh, oh"
           Gb7
                                                              You're gonna leave 'em falling down-own-own
If you only knew what the future holds
              Db
After a hurricane comes a rainbow
                                                              Ponte:
Maybe your reason why all the doors are closed
                                                              Boom, boom, boom
                 Db
So you could open one that leads you to the perfect road
                                                              Even brighter than the moon, moon, moon
               Gb7
Like a lightning bolt, your heart will blow
                                                              Boom, boom, boom
                                                                                     Fm
                                                              Even brighter than the moon, moon, moon
