```
      A                              Dbm
A big beautiful brain with a pretty face, yeah
                        Gbm
A babydoll with a briefcase, yeah
                    Dbm
A hot little hurricane
 A
 'Cause I'm feminine and soft
                Dbm
 But I'm still a boss, yeah
                 Gbm
 Red lipstick but still so raw, yeah
                Dbm
 Marilyn Monroe in a monster truck
        A
'Cause I can be zen
        Dbm
And I can be the storm, yeah
  Gbm
Smell like a rose
        Dbm
And I pierce like a thorn, yeah
 A                    Dbm
Karate chopping the clichés
             Gbm
And norms all in a dress
A
Hey hey hey
                         Dbm
You think that I'm a little baby
                            Gbm
You think that I am fragile like a Fabergé
You think that I am cracking
          Dbm
But you can't break me
                          A
No, oh oh oh oh, no way
Dbm                Gbm
No, oh oh oh oh, no way
Dbm              A
No, oh oh oh oh, no way
        Dbm
You think that I am cracking
          Gbm
But you can't break me
A
Yeah, I bounce back like a pro
             Dbm
 'Cause I'm so resilient
             Gbm
Lol at your limits
Keep your penny thoughts
           Dbm
I'm making a mint
        A
'Cause I can be zen
        Dbm
And I can be the storm, yeah
```
