

# Katy Perry - I'm Still Breathing

Tom: F  
Intro: F Dm Bb Gm7 C

F  
I leave the gas on, walk the alleys in the dark  
Dm7  
Sleep with candles burning, I leave the door unlocked  
Bb Gm7  
I'm weaving a rope and, running all the red lights  
C  
Did I get your attention? 'Cause I'm sending all the signs  
that...  
F  
The clock is ticking, and I'll be giving my two weeks, pick  
Dm7  
Your favourite shade of black, you'd best prepare a speech  
Bb Gm7  
Say something funny, say something sweet  
C  
But don't say that you loved me

Chorus  
F  
'Cause I'm still breathing  
Dm  
But we've been dead for awhile  
Bb Gm7  
This sickness has no cure, we're going down for sure  
C  
Already lost a grip, on this abandoned ship  
F Dm Bb Gm C  
Oh...

Verse 2 (Same as verse 1)  
Maybe I was too pale, maybe I was too fat

Maybe you had better, better luck in the sack  
No formal education, And I swore way too much  
But I swear you didn't care  
'Cause we were in love

So as I write this letter, and shed my last tear  
It's all for the better, that we end this year  
Let's close this chapter, say one last prayer  
But don't say that you loved me

Chorus  
F  
'Cause I'm still breathing  
Dm  
But we've been dead for awhile  
Bb Gm7  
This sickness has no cure, we're going down for sure  
C  
Already been diagnosed, so let's give up the ghost

F  
'Cause I'm still breathing  
Dm  
But we've been dead for awhile  
Bb Gm7  
This sickness has no cure, we're going down for sure  
C  
Already lost a grip, on this abandoned ship  
F Dm  
Oh... Yeah Yeah Yeah...  
Bb Gm
