

Katy Perry - Mannequin

Tom: **G**

How do I get Closer to you
When you keep It all on mute
How will I know
The right way To love you

Usually the queens Are figurin' out
Breaking down the man Is no work out
But I have no clue
How to get Through to you.. oh

I wanna hit you Just to see If you cry
Keep knockin on would Hopin there's A real boy inside

'cuz you're not a man
You're just a mannequin
I wish you could feel
That my love is real
But you're not a man

[como no começo]

I wish I could just Turn you on
But a battery in And make you talk
Even pull A string for you To say anything

But with you There is no guarantee
Only expired warranty
A bunch Of broken parts

But I can't seem To find your heart

Oh.. I'm such a fool
I'm such a fool
I'm such a fool
Cause this one's Outta my hands
I can't put you Back together again

Cause you're not a man
You're just a Mannequin
I wish you could feel
that my love is real
But you're not a man
You're just a toy
Could you ever be A real, real boy
And understand
But you're not a man

[Am Em Cm]
If the cost is the problem
My future could solve it baby
I could bring it life
If you let me inside baby
It's so hard
But in the end
You'll be a man

You're not a man
You're just a Mannequin
I wish you could feel
that my love is real
You're a toy
Could you ever be
A real, real boy
And understand
But you're not a man
You're not a man

You're just a Mannequin
I wish you could feel
that my love is real
But you're not a man
