Cm
I'm such a fool

Cause this one's Outta my hands
Em Cm
I can't put you Back together again

Cause you're not a man
You're just a Mannequin
I wish you could feel
that my love is real
But you're not a man
You're just a toy
Could you ever be A real, real boy
And understand
But you're not a man

[Am Em Cm]
If the cost is the problem
My future could solve it baby
I could bring it life
If you let me inside baby
It's so hard
But in the end
You'll be a man

You're not a man
You're just a Mannequin
I wish you could feel
that my love is real
You're a toy
Could you ever be
A real, real boy
And understand
But you're not a man
You're not a man

You're just a Mannequin I wish you could feel that my love is real But you're not a man
