

# Katy Perry - Part Of Me

Tom: F

Days like this I want to drive away  
Pack my bags and watch your shadow fade  
You chewed me up and spit me out  
Like I Was poison in your mouth  
You took my light, you drink me down  
But that was then and this is now  
Now look at me

Refrão:

This is the part of me  
That you're never gonna ever take away from me (no)  
This is the part of me  
That you're never gonna ever take away from me (no)  
Throw your sticks and stones throw your bombs and blows  
But you're not gonna break my soul  
This is the part of me  
That you're never gonna ever take away from me (no)

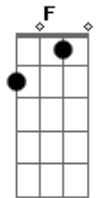

I just wanna throw my phone away  
Find out who is really there for me  
You ripped me off, your love was cheap  
It's always tearing at the seams  
I fell deep and you let me drown  
That was then and this is now  
Now look at me

(Refrão)

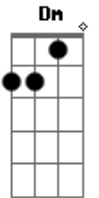

Now look at me, I'm sparkling  
A firework, a dancing flame  
You won't ever put me out again  
I'm glowing ohohoh  
So you can keep the diamond ring  
It don't mean nothing anyway  
In fact you can keep everything (Yeah, yeah)  
Except for me?

(Refrão) 2x)
