Katy Perry - Roar

Tom: C

   Verso I:

```
G
I used to bite my tongue and hold my breath
                   Am
Scared to rock the boat and make a mess
Em                   C
So I sit quietly, agree politely
G
I guess that I forgot I had a choice
                 Am
I let you push me past the breaking point
Em                           C
I stood for nothing, so I fell for everything
G
You held me down but I got up (hey!)
                Am
Already brushing off the dust
Em
You hear my voice, you hear that sound
 C
Like thunder gonna? shake the ground
G
You held me down but I got up (hey!)
          Am
Get ready cos? I?ve had enough
Em
I see it all, I see it now
```

Refrão:

```
             C          G

     Em                             C        G
Cos? I am a champion, and you?re gonna? hear me roar
              Am        Em
Louder, louder than a lion, cos? I am a champion
                   C        G Am Em
And you?re gonna? hear me roar (oh oh oh)
             C
You?re gonna? hear me roar
```

```
G                                            Am

earned my stripe
Em                       C
I went from zero, to my own hero
