

Katy Perry - Rush

```
Tom: G
 (intro 2x) Em C G D
I kissed your sweet lips
Em C G D
I floated so high
Em C G
Your eyes looked at mine
 Am Em C
The world froze in time

Em C G D

What is this feeling?

Em C G D
I am on cloud nine
Em C D
Guess I?m still reeling
Am Em C
From your body next to mine
It?s a rush I can?t explain G C
                                  D
And I?m ten feet off the ground
Am Em C
And I don?t want to come down
I know you?re sleeping
Em C G
I wish you were right here
Em C G D
'Cause my bed?s so empty
Am Em C
I?d hold you so close dear
Em C G D
And I sang my song to you
```

```
Your smile was priceless Em C G D
What else can I do?

Am Em C
I?m a junkie over you
It?s a rush I can?t explain G C
Like you shot something crazy into my veins

G

And I?m ten feet off the ground
Am Em C
And I don?t want to come down
Is it me or is everything spinning C D
I?m wide awake but I must be dreaming
It?s like you?re some kind of drug
Try to catch my breath
And see if I?m still breathing
Touch my heart and make sure it?s beating C G D
It?s like I?m falling in love
It?s a rush I can?t explain
G C D Em
And I?m ten feet off the ground
Am Em C
And I don?t want to come down
```
