

# Katy Perry - Simple

Tom: E  
Intro: B Eb Ab A

B  
You're such a poet  
Ebm  
I wish I could be Wesley Willis  
Dbm E  
00223355  
My words would flow like honey, sweet and laid on thick

B  
You're so edgy  
Ebm  
You dont even need a rhyming dictionary  
Dbm E  
I wipe my hands on your jeans, 'cause they are more distressed  
B  
So they say--you got O.C.D.  
Ebm  
And they claim you can barely read  
Dbm E  
But you say "Don't bother me with all of your reality"

(Refrão)  
B E  
But it could be so simple  
(you were thinking)  
Abm Gb  
Life should be that simple  
(Who would have thought it)  
B E  
I wish it were just so simple  
(don't know what you were thinking)  
Abm Gb  
But the point's been missed

You've made a mess  
Gb7  
Who would have guessed  
(B E Abm Em7 )  
That it's as simple as it seems

(B Ebm Dbm E )  
So what, you're a genius  
But you've got a lot to learn  
Like the time you lost your apartment  
Cause you bought too much Vuitton  
You park in a loading zone  
You sleep with the lights all on  
You cross your i's and dot your t's

All it goes to show

Refrão  
B E  
That it could be so simple  
(you were thinking)  
Abm Gb  
Life should be that simple  
(Who would have thought it)  
B E  
I wish it were just that simple  
(don't know what you were thinking)  
Abm Gbm  
The point's been missed

We've made a mess  
Gb7  
Who would have guessed  
(B E B E )  
That it's as simple as it seems

Same chords as chorus:  
I'm not saying that it's a piece of cake  
Just take a moment to re-evaluate  
The possibilities  
The situations  
The opportunities  
That are waiting  
Oh, the possibilities  
Oh, I

It could, it could be that simple  
(you were thinking)  
Life should be that simple  
(Who would have thought it)  
I wish it were just so simple  
(don't know what you were thinking)  
You're in a haze  
It's just a phase  
You know this maze  
Is as simple as it seems

Same chords as the chorus:  
We could talk all day  
About your eccentricities  
What I mean to say  
Oh, is that I need you listen please  
And focus on life's simplicities  
So don't be afraid to strip it away  
Cause at the end of the day  
It's still as simple as it seems

It is all so simple  
Just deal with it
