

# Katy Perry - Use Your Love

Tom: **F**

**F** **Dm** **C**  
I know you know my boyfriend is out of town  
**F**  
so have a drink, let's talk it over  
**F** **Dm** **C**  
So many things I shouldn't be sayin now  
**Bb**  
You know I like my boys a little bit older  
**Bb** **Dm** **C**  
I just wanna use your love  
**C**  
tonight, tonight, tonight. tonight, tonight  
**Bb** **Dm** **F**  
I don't wanna lose your love tonight

Same as the first verse:

All my girls are no where to be found  
they all split when I'm in trouble  
but I'll tell you all my secrets if you stick around  
the 'undercover-lovers' under the covers  
I just wanna use your love  
tonight, tonight, tonight. tonight, tonight  
I don't wanna lose your love tonight

Chords Vary but mostly in-- **Dm**

I just wanna use your love l-o-v-e, l-o-v-e  
I just wanna use your love l-o-v-e, l-o-v-e

**Bb**

I just wanna use your love l-o-v-e, l-o-v-e, l-o-v-e

try to keep my head from spinning  
too much to drink - not making sense  
been a while since I've been with someone new  
but I can't stop the way I'm feeling

Same as the first again:

As you leave please would you just close the door  
now that our love affair is over  
you're exactly what I was looking for  
well go find a shoulder to cry upon

I just wanna use your love  
tonight, tonight, tonight, tonight - tonight!  
I don't wanna lose your love tonight  
I just wanna use your love  
tonight, tonight, tonight, tonight - tonight!  
I don't wanna lose your love tonight  
I just wanna use your love  
tonight, tonight, tonight, tonight - tonight!  
I don't wanna lose your love tonight

Chorus!

**F**  
I think I'm done fuck'n singing this song  
I think I'm done fuck'n singing this song  
I think I'm done fuck'n singing this song  
I think I'm done fuck'n singing this song  
Singing this song, song, song song
