tom:
A

[Primeira Parte]

D A
Dream makes the sounds that carry me so far away
D A
The freedom now, forever, I'll be bound
D A
Dream of the south or where the sun is so paramount
D A
Took the seasons out, spend my time here now

[Pré-Refrão]

D E
They play like silent movies only you can see
A Gbm
You shelter them and keep them

Rolling onwards roll
A E
To ever let them go

[Refrão]

D
But tell me at what cost?
I'll find a ticket to ride
A
I been waiting for the perfect time
D
Sometimes with a look in my eyes
A
I'll be gliding through these dreams of mine
D
When's right, to step out of line?
Gbm A
I've been waiting... Waiting to see what for
D Gbm B
And I'll find a ticket to ride

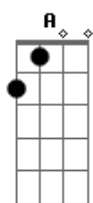

[Segunda Parte]

D A
Leaving the ground to carry on this warm embrace
D A Bm
I'm deep in now, sanctuary found
D
Thoughts I left out, they're washing in
A
Like ocean waves
D A
So let me drown, no, never let me down

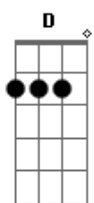

[Pré-Refrão]

D E
They play like silent movies only you can see
A Gbm
You shelter them and keep them
