tom:  
Capostrate na 4ª casa

On the side but I still have eyes on you  
Had a drink but now it turned into two  
It's okay, it's okay, I can wait up  
You get your way night and day while I stay up

So you'll drink till you're gone and

I'm left on my own  
You always find someone  
You don't like sleeping alone  
Do ya? Do ya?  
Now I'm drinkin' alone  
Oh, yeah, oh, yeah

You say I talk too much  
I don't think that we talk enough  
You can be so twisted  
Lyin' but I'll listen  
Move on then you miss this, but you don't

And maybe you're cold  
I used to be the one to take you home  
You always left me empty-handed, oh  
Was I the only one? I'll never know, yeah  
Baby, you're an animal  
Oh, and don't you know you cut me to the bone  
Tore me up but I can't let you go  
I wonder if I ever really knew ya  
Baby, you're an animal

Call you up, you said you might just stay in  
That's the story that I heard last weekend  
It's okay, it's okay, I can wait up  
Would you stay, would you change if I gave up?

So you'll drink till you're gone and

I'm left on my own  
You always find someone  
You don't like drinking alone

Do ya? Do ya?  
Now I'm drinkin' alone  
Oh, yeah, oh, yeah  
You say I talk too much  
I don't think that we talk enough  
You can be so twisted  
Lyin' but I'll listen  
Move on then you miss this, but you don't

And maybe you're cold  
I used to be the one to take you home  
You always left me empty-handed, oh  
Was I the only one? I'll never know, yeah  
Baby, you're an animal  
Oh, and don't you know you cut me to the bone  
Tore me up but I can't let you go  
I wonder if I ever really knew ya  
Baby, you're an animal

So you'll drink till you're gone and

I'm left on my own
