

Kayden - Better

tom:

A

Is this how it's supposed to be

E

I remember once when you were close to me

B

I guess this is what it feels like

Dbm

I guess this is what it feels like

A

Is this how it's supposed to be

E

Runaway leave me with the memories

B

I guess this is what it feels like

Dbm

When you giving up on everything

A

I can't forget with the sheets on my bed

E

Everything's on my chest and I'm trying to lift

B

Cause its weighing me down

Dbm

A

And now you're all alone in the city that never sleeps

E

Bury my mistakes in the snow and ill watch em freeze

B

Dbm

Till I'm ice cold

A

So hit me back when its over and call me back when you're sober

E

She's so gone still know her

B

Don't trust me ill show her

Dbm

That I can do better

A

That I can do better

E

B

Dbm

That I can do better

A

That I can do better

E

B

Dbm

That I can do better

A

They say time heals everything

E

But nothing can bring back the better half of me

B

I guess this is what it feels like

Dbm

You would never let me try too hard

A

Winter is cold and I'm lying alone

E

I just want you to know

B

Ill be fine on my own

Dbm

And i could do better

A

I can do better

E

B

Dbm

I can do better

A

I can do better

E

B

Dbm

I can do better

Acordes
