

# Keane - Clear Skies

Tom: C

( Am Bm )  
High on the bell tower  
I took my view  
Over the downtowns  
On the avenues

( Am Bm )  
Where the streets are wide  
And the people thrive  
And it's further to fall down  
Cause you fly so high

( Am Bm )  
I've never seen such beauty  
I've never seen such clear skies  
I've never seen such high hopes  
I've never seen such tired eyes

F Am G  
And I wish that I could be  
Everything you are  
Am G  
Everything you are

( Am Bm )  
Down in the delta  
The city wakes  
Turns on the TV  
As the levy breaks

( Am Bm )  
Where the streets are burned  
From the hot summer sun  
And there's nowhere to run to  
When your time has come

( Am Bm )  
I've never seen such beauty  
I've never seen such clear skies  
I've never seen such high hopes  
I've never seen such tired eyes

( Am Bm )

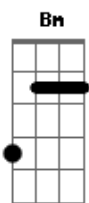

Loop the loops up piece by piece  
All that flashing all over me  
Took my pills and went to sleep  
Oh, and I sang myself to sleep

F Am G  
And I wish that I could be  
F  
Everything you are  
Am G  
Everything you are  
F Am G  
And I wish that I could see  
F  
The world the way you do  
Am G  
As selfishly as you  
Oooh

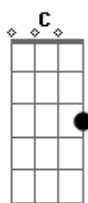

Solo 12x: Am Bm

F Am G  
And I wish that I could be  
F  
Everything you are  
Am G  
Everything you are  
F G  
And I wish that I could stick  
F  
My faith the way you do  
Am G  
As certainly as you  
F Am G  
Clear skies going to fall on you  
F Am G  
Clear skies going to fall on you  
F Am G  
Clear skies going to fall on you  
F Am G  
On you, on you.  
F Am G  
Clear skies going to fall on you  
F Am G  
Clear skies
