

Keane - Love Actually

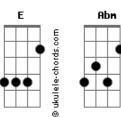

```
tom:
You say you've been wondering
         Abm B A
Why you're so lonely
         Dbm Abm A B E
I'm not the man to ask but I
            Abm B E
I know it's not easy
             Abm B A
When each time you give your heart
     Dbm Abm A B
Sorrow is never far behind
       E B
But it's love actually love
   Bbm A
That you must find
E B Dbm
Love actually love
B Bbm A E
That you must find
           Abm B E
I know it's a long cold road
          Abm B A
And if you can't see your way
          Dbm Abm A
```

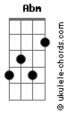

I'll be your sight where eyes are blind

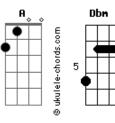

```
В
                   Dbm
For it's love actually love B Bbm A
That you must find
E B Dbm
Love actually love
B Bbm A
That you must find
(E Abm B E)
(Abm B A)
( Dbm Abm A B E )
                Abm
And if you should think of me cold
         Abm B A
Born with a heart of stone
         Dbm Abm A B
Look at my eyes and read my mind
       Е В
For it's love actually love B Bbm A
That you will find
E B Dbm
Love actually love
           Bbm A E
That you will find
```
