

Keane - My Shadow

Tom: A

(D7M A Gbm E)
It's time to make a start
To get to know your heart
Time to show your face
Time to take your place

(D7M A Gbm E)
In every speck of dust
In every universe
When you feel most alone
You will not be alone

D
Just shine a light on me
E D E
Shine a light

D
I'll shine a light on you
E D
Shine a light

E Gbm E D
And you will see my shadow
E D
On every wall

Gbm E D
And you will see my footprints
E D
On every floor

(D7M A Gbm E)

(D7M A Gbm E)
It only takes a spark
To tear the world apart
These tiny little things
That make it all begin

D
Just shine a light on me
E D E
Shine a light

D
I'll shine a light on you

E D
Shine a light

E Gbm E D
And you will see my shadow
E D
On every wall

E D
And you will see my reflection
E D
In your freefall

(Gbm E D)
Ooooooooooh
Ooh ooh
Ooooooooooh
Ooooh ooh

D
Just shine a light on me
E D E
Shine a light

D
I'll shine a light on you
E D
Shine a light

D A E Gbm
Cuz when your back's against the wall

D A E Gbm
That's when you show no fear at all

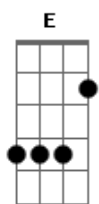

D A E Gbm
And when you're running out of time

D A E Gbm
That's when you hitch your star to mine

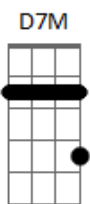

D A
We won't be leaving by the same road (4x)
E Gbm D A E
That we came by

(D E)
Ooooooooooh
Ooh ooh
Ooooooooooh
Ooooh ooh ooh
