

Keane - Stupid Things

tom: Е A7M Dbm Friend, I've done something stupid again A7M It's not that I don't love you, I do A7M Dbm It's just I made this black hole so blue A7M I've done something stupid again And now it's little lies and alibis Dbm And the second phone. Can't make it home F I'm working late. You know I hate To miss the kids' bedtime again Abm I drank too much, a working lunch I'll crash in town so don't wait up If I don't text, my phone's just dead I've got that thing, I'm sure I said? And I know that you know and we both just play along (pausa) Just one more stupid thing that I have... done (E A7M Dbm A7M) A7M It starts, got money in your pocket at last Makes you think you're more than you are A7M You're just another sucker for the dream No more or less than you have ever been But now it's little lies and alibis Dbm

I'm working late. You know I hate Dbm To miss the kids' bedtime again I drank too much, a working lunch Dbm I'll crash in town so don't wait up If I don't text, my phone's just dead I've got that thing, I'm sure I said? And you look like a joke and we both just play along Just one more stupid thing that I have... done Dbm (It's not that I don't love you) A7M Just one more stupid thing that I have... (Little lies) A7M and the second phone (I drank too much) Dbm I've done something stupid And now it's little lies and alibis Dbm And the second phone. Can't make it home I'm working late. You know I hate To miss the kids' bedtime again Ahm I drank too much, a working lunch I'll crash in town so don't wait up Е If I don't text, my phone's just dead I've got that thing, I'm sure I said? And you feel like a fool and we both just play along And you feel like a fool and we both just play along And you feel like a fool and we both just play along Just one more stupid thing that I have... done [Final] B B

Acordes

And the second phone. Can't make it home
