

Keane - Try Again

```
Tom: B
                                                                     I die
                                                            Ba
                                                               by
                                                                            every night, every
                                                                                                time
  (Introdução): Ab Ab Ab Ab Bb Bb Eb Bb : | x4
                                                     Dhm7
                                                              Abm
                                                                     Gb
                                                                            Dbm7
               Ebm Abm Dbm7
                                                      But I was made the way I am
I fell asleep on a late night train
                                                            Abm Gb Dbm7
 B Abm Ebm Abm Dbm7
                                                     I'm not a stone; I'm just a man
                                                            B Gb Dbm7
I missed my stop and I went round again
                                                     Lay down your arms and I will lay down mine
 B Abm Ebm Abm Dbm7
Why would I want to see you now?
                                                              B Abm
                                                     Rip back the time that we've been wasting
B Abm Ebm Abm Dbm7
To fix it up, make it up somehow
                                                         Abm Ebm Abm Dbm7
                                                     God I wish you could see me
                                                                               now
