So long ago it must be

That you're still the one that's troubling me

And still so far so far away

I sat with a tear in my hand
E D A
On a day so long ago

Inside I am an ogre
D A
With the simple thoughts of a child
D A
I say what I think and I need to be loved

So long ago it must be
E E A E
That you're still the one that's troubling me
D A G Gbm
And still so far so far away
E E A
I sat with a tear in my hand

On a day so long ago
