From the shelter of your home
 As you walk into the rain
 Send a message that you know she'll hear
 Though she's far away
 Even though you have been wrong before
 She'll hear you now
 You know she will
 But you don't know how

From the shelter of the rain
 As you walk into the Tube

As you think of how you wonder if
 She thinks about you too
 Even though you've waited so long
 To see the day
 When she will turn
 To you again
 'So long my friend'
 Is what you'll say

And I don't know
 Why you feel so bad
 Where is the life you once had?
 And still this horrid feeling grows and grows
 The way you want it to

Even though you've waited so long
 To see the day
 When she will turn
 To you again
 'So long my friend'
 Is what you'll say

And I don't know
 Why you feel so bad
 Where is the life you once had?
 And still this horrid feeling grows and grows
 The way you want it to

You're a fool though
 Why you feel so bad
 Where is the life you once had?
 And stillll this hollow feeling grows and grows
 The way you want it to
