From the shelter of your home  
 As you walk into the rain  
 Send a message that you know she'll hear  
 Though she's far away  
 Even though you have been wrong before  
 She'll hear you now  
 You know she will  
 But you don't know how

From the shelter of the rain  
 As you walk into the Tube

As you think of how you wonder if  
 She thinks about you too  
 Even though you've waited so long  
 To see the day  
 When she will turn  
 To you again  
 'So long my friend'  
 Is what you'll say

And I don't know  
 Why you feel so bad  
 Where is the life you once had?  
 And still this horrid feeling grows and grows  
 The way you want it to

Even though you've waited so long  
 To see the day  
 When she will turn  
 To you again  
 'So long my friend'  
 Is what you'll say

And I don't know  
 Why you feel so bad  
 Where is the life you once had?  
 And still this horrid feeling grows and grows  
 The way you want it to

You're a fool though  
 Why you feel so bad  
 Where is the life you once had?  
 And stillll this hollow feeling grows and grows  
 The way you want it to
