Keb' Mo' - Tell Everybody I Know

Tom: G

    Tabbed By: Alex Schwer (TheCream)
Intro: A

Verse:

These are the main chords. It's A blues progression. They're finger picked and sometimes
A chord has almost a bouncy, "reggae feel" to it. It's pretty much A to D. and then
it get's to the part of (below) you throw in the E chord:
 E   D   A

"well I love my baby, gonna tell everybody I know"

You can mix it up with some A7's and D7's to add color to it.
    A   D   E

Then there's that part where it goes "other women don't mean a thing.."

    C   D   A   C   D   E x 3

Then it's just a back to the verse. The Solo is in A minor major. That's pretty much
Message me with questions or improvements. Jam on.
