

Kelly Clarkson - Addicted

Tom: **Db**

Bbm Gb Ab Ebm
 It's like your a drug
 It's like your a demon I can't face down
 It's like I'm stunned
 It's like I'm running from you all the time
 And I know I let you have all powers like
 The only company I see is misery all around
 It's like your a leech
 Sucking the life from me
 It's like I can't breathe
 Without you inside of me
 And I know I let you have all the power
 And I realize I'm not gonna quit you over time

Bbm Gb Ab Ebm
 It's like I can't breathe
 It's like I can't see anything
 Nothing but you
 I'm addicted to you
 It's like I can't think

Without you in
 You're haunting me
 In my thoughts
 In my dreams
 You're taking over me

Ebm
 It's like I'm not me
F
 It's like I'm not me

Bbm Ab Gb Ebm
 I'm hooked on you
 I need a fix
 I can't take it
 Just one more hit
 I promise I can do with it
 I'll handle then quit it
 Just one more time then that's it
 Just don't let open
 But you'll get me through this
